We held a school Remembrance Day ceremony on 11th November to remember and pay tribute to all those who have served in Australia’s armed services.

Remember as the weather warms up to apply sunscreen before coming to school!

Hi there!
I can not believe how quickly this term, in fact this year has gone. I often judge time frames on the cropping season. When I reflect back to what was happening during sewing time, I find it hard to believe that harvest is upon us already. I wish you all a smooth and profitable harvest with no more interruptions or down time.

**PRESENTATION NIGHT**
So with harvest comes preparation for presentation night! Always fun times here at Boree Creek Public School. As I mentioned last newsletter, we have been, and still are busy filming our movie this week. Next week we are employing the services of Vic McKeon of the CAD factory to help with sound editing, and special effects. It promises to be a box office blockbuster, so highlight **Wednesday 2nd December 7:00pm** in your calendars. Invite all your family and friends to join us for our annual night of awards and celebration of learning in 2015. All students will be finishing school at 2:00pm that day to allow them time to rest. The bus will run early that afternoon. They will need to be at the memorial hall at 6:45pm dressed in full summer uniform. They will also need to **bring to school by Wednesday 2nd** a very good set of clothes (to mimic the Oscar awards!) to change in to at the interval before the movie is shown. Could all families please prepare 2 plates of food to contribute towards supper on the night. I also request that younger pre school-aged children be seated with their parents at all times throughout the evening and noise be kept to a minimum.

**Guitar Lessons**
Tomorrow Damien Shoemark will be conducting his guitar / ukulele lessons. These lessons will be held every Friday from 9:00am. They will go for 20 minutes and cost $20 each lesson, please send cash in a labelled envelope on the day of each lesson.

**Book Launch**
On Thursday 3rd December, we have been invited to host a book launch. The book titled “**Doris Golder- Boree Creek’s Wool Artist**” was written by the primary students of Boree Creek PS back in term 2 and 3. It was funded by the Creative Catchment Kids Program, who have published the book which has the professional appearance of a school reader. The books will be presented to us and Doris on this day at 2:00pm, followed by an afternoon tea provided by the program organisers, not the P&C as previously mentioned. It will be open to the public so please make it known to family and friends.

**Head Lice / Parasitic worms**
Please be vigilant in checking and treating your child for head lice regularly, and if found please treat every 3-4 days until they are gone. Also I have had reports of students with recurring parasitic worms, please inform me if this is happening to your children.

**Kinder Orientation**
Today was the last full day of Kinder Orientation. Ruby, Kevin and Rivers have all fitted in very well at our school and are ready to start in 2016! Thankyou also to Hannah, Luke and Lachlan for being their “buddies” on these transition days and into next year as well.

**School Leader Speeches / Assembly**
Next Friday at 10:30am Luke Westblade and Hannah Patey will be presenting their school leader speeches followed by a short assembly. This will be our final assembly for 2016. All welcome. Please send in any sets of bronze, silver or gold awards your child/ren have at home that may qualify for a higher certificate.

**Blueearth**
The Greater Kengal are trialling a program named ‘Blueearth’ which is a Physical Education Program as well as incorporating wellbeing, mindfulness and 21st century learning skills such as resilience, collaboration and perseverance. We have Bill Lucas coming to our school on Friday 4th December at 9:00am to deliver a taster session to our students and staff, parents are welcome to attend to gain a better understanding of this program.

**Swimming Lessons**
I would like to extend a huge thank you to the P&C who this year have contributed funds to cover the cost of transportation for swimming lessons in at Lockhart Pool. We are employing the services of Peter and Mary Alexander for transport for these days. The dates and times are included in the note attached.

**P&C Day Out**
In line with tradition, our school leader Clare Ratcliffe has organised our end of year fun-day out to be held in Wagga on Monday 7th December. Please make every effort to be there with your child as it is traditionally a family day. P and C are covering all food costs for students and school will cover entry costs. Please return notes ASAP so we can arrange transport. Unfortunately, I have to meet with my School Director this day so I am unable to come, however I am being replaced by Miss Amy Symons who the students are most eager to see again.

Keep cool this fortnight!
Liss Routley
Principal
